COMMENTARY (A Department)

The Committee on Federal Taxation
Jerome A. Seldman, Chairman
Marlo P. Borini, Editor

Accounting Methods and Periods

- involuntary change in accounting method affecting pre-1954 taxable years, May, p. 381.

Accumulated Earnings Tax

- how to measure working capital needed for one operating cycle, July, p. 529.
- shifting the burden of proof in accumulated earnings cases, December, p. 891.

Allens

- foreign tax credit granted resident aliens irrespective of reciprocity by country of citizenship, January, p. 72.

Bonds

- determination of years to maturity of bonds to be retired serially by lot, June, p. 459.
- receipt of convertible bonds in Section 453 installment sales, April, p. 304.

Consolidated Returns

- a new trap in tax-free acquisitions of a consolidated group, September, p. 665.
- effect on affiliated group of change of accounting period by parent, February, p. 156.

Contributions

- charitable contributions of depreciable property and inventory by corporations, January, p. 70.
- don't realize profits when you can donate them, September, p. 664.

Controlled Corporations

- allocation of surtax exemption upon organization or liquidation of component member, April, p. 306.
- computing value of corporation stock owned depends on control represented by stock, June, p. 456.

Deductions

- deductible fees for tax advice is challenged, October, p. 747.
- direct relationship between debt and ownership of tax-exempt bonds necessary before disallowance of interest deduction, April, p. 307.
- stockholder employees of closely held corporations can avoid double tax, July, p. 528.
- treatment of entertainment expenses incurred by employees as deductible compensation, February, p. 151.
- using a corporation's own stock for payment of expenses, August, p. 592.
- windfalls and pitfalls in deferred mortgage and leasing expenses, September, p. 662.

Deferred Compensation

- problem areas in using restricted stock to fund executive bonus, November, p. 824.
- stock plans for key employees, December, p. 894.

Depreciation

- accelerated depreciation may be applied separately to components of new buildings, April, p. 306.
- erroneous elections regarding manner and time of taking depreciation, January, p. 69.
- investment credit and computer leasing, December, p. 893.
- liquidation or merger of acquired corporation can avoid investment credit and depreciation recapture, June, p. 458.
- stepping up basis for depreciation in a tax-free exchange, May, p. 380.
- straight line depreciation and amortization on real property can also be recaptured, November, p. 823.

Earnings and Profits

- no statute of limitations with regard to computation of earnings and profits, May, p. 384.

Employee Benefit Plans

- medical plans revisited, October, p. 744.
- more on salaried-only pension plans, September, p. 663.
- salaried-only plans that cover only officer-stockholders may be a discrimination hazard, August, p. 594.
- tax and economic considerations regarding self-employed retirement plans, November, p. 821.

Estates and Trusts

- distributions of property as a tax planning tool for estate or trust beneficiary, January, p. 71.
- enjoy the tax benefits of Section 303 and the economic benefit of Section 6166, July, p. 531.
- estates may not rely on relief provision of Section 1341, January, p. 73.
- gifts in contemplation of death may result in tax saving despite inclusion in donor's estate, February, p. 154.
- interest on estate tax deficiency following extension of time to pay under Section 6161(a)(2) or Section 6166, March, p. 235.
- taxability of income under premature termination of short term trust, May, p. 381.
- tax-free step-up in basis for property distributed from estate or trust, August, p. 595.

Foreign Operations

- foreign losses may not preclude foreign tax credit, November, p. 825.
- repatriation of direct investment earnings, May, p. 383.
- speed-up in issuing Section 367 rulings, July, p. 532.

Gifts

- conclusiveness of value of gift as reported on gift tax return for prior years, March, p. 235.
- gift by check not complete until it is paid, certified, or negotiated, June, p. 457.
- gifts in contemplation of death may result in tax saving despite inclusion in donor's estate, February, p. 154.
- support of parents — tax saving opportunity through gifts, July, p. 530.

Income

- avoiding realization of ordinary income resulting from distributions by a collapsible corporation, April, p. 305.

Installment Sales

- installment reporting problem on sale of unincorporated business, July, p. 531.

Interest Equalization Tax

- unintended application of interest equalization tax to calls on U. S. securities, October, p. 746.

Investment Credit

- carryback of investment credit upon change of accounting period, February, p. 156.
- investment credit for property used for lodging, October, p. 747.
- investment credit and computer leasing, December, p. 893.
- liquidation or merger of acquired corporation can avoid investment credit and depreciation recapture, June, p. 458.

Leases

- lease of partnership owned depreciable property to third persons, June, p. 455.
- tax considerations in purchase or lease of equipment, January, p. 68.

Liquidations

- deductibility of legal and other expenses incurred in a Section 337 liquidation, February, p. 151.
- Kimbell-Diamond Doctrine still alive?, October, p. 745.
- one month liquidation — date of plan is crucial, August, p. 594.
- stock plans for key employees, December, p. 894.

Net Operating Loss

- Carryback of net operating loss by surviving corporation after a tax-free liquidation or merger, February, p. 153.

Partners & Partnerships

- buying out a partner by sale or liquidation of his interest, May, p. 382.
- exclusion of payments to retired partners from self-employment tax, March, p. 233.
- lease of partnership owned depreciable property to third persons, June, p. 455.
- like kind exchanges of partnership interests under Section 1031(a), March, p. 236.

Personal Holding Company

- personal service contracts trap, September, p. 666.

Property

- lease of partnership owned depreciable property to third persons, June, p. 455.

Reorganizations

- avoidance of Section 306 stock in recapitalization of family corporation, February, p. 155.
- carryback of net operating loss by surviving corporation after a tax-free liquidation or merger, February, p. 153.
- liquidation or merger of acquired corporation can avoid investment credit and depreciation recapture, June, p. 458.
- "substantially all" requirement of type C reorganization concerned with ratio of assets acquired to assets available, June, p. 458.

Reserves — Bad Debt

- how to avoid a potential pitfall in tax-free incorporations, August, p. 593.

Returns

- estimated tax return extensions — proper payments can avoid penalty for underestimation, August, p. 596.
- estimated tax return extensions revisited, December, p. 893.
- is a determination letter revocation retroactive?, November, p. 822.
- waiving notice of disallowance of refund claim, October, p. 748.

Social Security

- maximizing benefits and earnings between ages of 62 and 72, March, p. 233.
- savings through control over wages subject to FICA taxes, March, p. 232.

Subchapter S

- corporate acquisitions of Subchapter S corporations, November, p. 820.
- Subchapter S splits income of a personal service business, December, p. 892.

INTERNATIONAL TAXES

- An Introduction to the Tax on "Value Added" — Trading in the European Common Market, *Mattson, Robert N.*, February, p. 122.
- Puerto Rico's Business and Tax Incentives, *O'Connor, Walter F.; Galarzo, Pedro A.*, June, p. 409.

MANAGEMENT ADVISORY SERVICES

- Basic Analysis Required in Planning for the Acquisition of a Loss Corporation, *Armstrong, Deshler*, December, p. 864.
- Better Qualified Retirement Plans for the Self-Employed Available in 1968, *Pugh, Glynn A.*, January, p. 32.
